INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Goddard College Corporation
Plainfield, Vermont 05667

Report on the Financial Statements

We have audited the accompanying financial statements of Goddard College Corporation (a nonprofit corporation), which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Goddard College Corporation as of June 30, 2018 and 2017, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of a Matter – Going Concern

The accompanying financial statements have been prepared assuming that the Organization will continue as a going concern. As discussed in Note 22 to the financial statements, the Organization has suffered recurring significant losses, and substantial doubt exists about its ability to continue as a going concern. Management's evaluation of the events and conditions and management's plans regarding those matters also are described in Note 22. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by the Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for the purpose of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 6, 2019, on our consideration of Goddard College Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not provide an opinion on the effectiveness of Goddard College Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Goddard College Corporation's internal control over financial reporting and compliance.

GODDARD COLLEGE CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018 AND 2017

Note 1 Summary of Significant Accounting Policies

Nature of Organization

Goddard College is a non-profit corporation established in 1938 and incorporated in the State of Vermont. It is an accredited institution of higher education providing both undergraduate and graduate degrees. The College is located in Plainfield, Vermont, has a site in Port Townsend, Washington, and a satellite site in Seattle, Washington.

Basis of Accounting

The College prepares its financial statements in accordance with U.S. generally accepted accounting principles utilizing the accrual basis of accounting; consequently, revenues and gains are recognized when earned and expenses and losses are recognized when incurred.

Basis of Presentation

The College reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The three classes are defined as follows:

Unrestricted Net Assets

These assets result from contributions and other inflows that have no restrictions and over which the Board of Trustees retains full control to use in achieving any of its institutional purposes.

Temporarily Restricted Net Assets

These assets result from contributions and other inflows of assets whose use by the College is limited by donor imposed stipulations that either expire by the passage of time or can be fulfilled and removed by actions of the College.

Permanently Restricted Net Assets

These assets result from contributions restricted to funding scholarships, loans and loan loss allowances in perpetuity.

GODDARD COLLEGE CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018 AND 2017

Note 1 Summary of Significant Accounting Policies - (Continued)

Recognition of Revenue

Tuition is recognized as revenue once the refund period has expired in each session.

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor-imposed restrictions.

Income Taxes

Goddard College Corporation is a non-profit Vermont corporation and a tax-exempt educational facility under Internal Revenue Code Section 501(c)(3) and is not a private foundation. As such, the College is exempt from income tax on its exempt function income.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the College and recognize a tax liability (or asset) if the College has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the plan and has concluded that as of June 30, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The College is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for years prior to 2015.

Functional Expenses

Expenses are reported on the statements of activities in two categories. The College's primary program service, Educational Program Services, includes academic programs, public services, student services and auxiliary enterprises. All other functions are considered supporting services and have been categorized as academic support and institutional support.

Expenses associated with the operation and maintenance of the College plant assets, including interest and depreciation expense, are included in the institutional support functional category.

Cash and Cash Equivalents

Cash includes amounts in demand deposits as well as short-term investments with a maturity date within three months of the date acquired.

GODDARD COLLEGE CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018 AND 2017

Note 1 Summary of Significant Accounting Policies - (Continued)

Investments

Marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position, with the exception of the Certificate of Deposit portfolio which is listed at full value with the assumption that they are held to maturity. Unrealized gains and losses are included in revenue. Investments received by gift are recorded at market value at the date of acquisition.

Allowance for Doubtful Accounts

Goddard College Corporation uses the allowance method for uncollectable accounts. The College has allowances for accounts and loans receivable.

The Collection

The collection, which consists of library books, periodicals and related material, was acquired through purchases and contributions since the College's inception and is not recognized as an asset on the statement of financial position. Purchases of collection items are recorded as decreases in unrestricted net assets in the year in which the items are acquired or as decreases in temporarily or permanently restricted net assets if the assets used to purchase the items are restricted by donors. Contributed collection items are not reflected in the financial statements. Proceeds from deaccessions or insurance recoveries are reflected as increases in the appropriate net asset classes.

Inventories

Inventories consist of campus stores and kitchen supplies and postage. Inventory is valued at cost using the first-in/first-out (FIFO) method for the campus stores and the inventory for the kitchen is valued using the suppliers pricing on the date the inventory is finalized and the postage is valued on a cash basis.

Use of Estimates

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

GODDARD COLLEGE CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018 AND 2017

Note 1 Summary of Significant Accounting Policies - (Continued)

Concentrations

Goddard College Corporation derives its revenue primarily from tuition.

Property, Plant and Equipment

Property, plant and equipment are stated at cost at the date of acquisition and are being depreciated using the straight-line method over their estimated useful and economic lives, which range from 5 to 83 years. Contributions of property, plant and equipment are recorded at their estimated current value at the date of the gift.

Expenditures for new construction, major renewals and replacements costing over \$1,000 are capitalized. Equipment and fixtures costing over \$500 are capitalized. Contributions of long-lived assets or contributions restricted for acquisition of long-lived assets are reported as increases in temporarily restricted net assets. Restrictions are considered met, and an appropriate amount reclassified to unrestricted net assets, over the useful life of the long-lived assets as calculated by the College's depreciation policy.

Fair Value of Financial Instruments

The carrying amounts of cash and cash equivalents and short-term investments approximate fair value because of the short maturity of those financial instruments. The carrying amounts (which are fair value) of long-term investments are based on values provided by an external investment manager which are quoted market values.

A reasonable estimate of the fair value of the loans to students under government loan programs and U.S. government loan funds refundable could not be made because the notes receivable are not stable and can only be assigned to the U.S. government or its designees; the fair value of notes receivable from students under College loan programs approximates carrying value.

The College records the value of donated services and materials when there is an objective basis available to measure their value. Donated services are recognized if the services received (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributions of tangible assets are recognized at fair market value when received. During 2018 and 2017, the College received donated services or materials of \$1,312 and \$1,870, respectively.

Note 1 Summary of Significant Accounting Policies - (Continued)

Donated Services and Materials

A substantial number of unpaid volunteers have made significant contributions of their time to benefit the radio station mission. No amounts have been reflected in the statements for donated services for these because they did not meet the criteria for recognition under U.S. GAAP, Accounting for Contributions Received and Contributions Made.

Date of Management Review

Management has evaluated for subsequent events through February 6, 2019, the date the financial statements were available to be issued.

Allowance for Goddard Loan Bad Debts	-	(500)
Net Tuition Receivable	\$ 55,057	\$ 76,774

Delinquent accounts are sent to a collection agency. Receivables are written off only after all efforts at collection have been attempted. The allowance for doubtful accounts is based on receivables considered by the College to have a low likelihood of being collected.

Note 4 Perkins Student Loans

	2018	2017
Perkins Loans Receivable	\$ 358,559	\$ 356,203
Less: Current Portion	(36,000)	(36,000)
Long-Term Portion	\$ 322,559	\$ 320,203

Perkins Loans are charged 5% annual interest beginning at the end of a student's nine month grace period. The term of these loans can extend up to ten years. All interest earned is reinvested into the Perkins Loan Program. Receivables are considered in default when they are more than 120 days past due. The balances of loans receivable in default at June 30, 2018 and June 30, 2017, included in Perkins Loans Receivable are \$144,332 and \$147,703, respectively.

Loans can enter non-accrual status or deferment if forbearance is granted for financial hardships, poor health or other acceptable reasons. There is no allowance for doubtful Perkins Loans as an offsetting liability is recorded.

Note 5 Investments and Fair Value Measurements

The following are the fair values of assets measured on a recurring basis at June 30:

	2018	2017
People's Financial Advisors CD Portfolio	\$ 8,481	\$ 63,465
Northfield Savings CD	116,688	114,681
Schwab Cash & Money Market (Sweep)	39,566	51,616

Schwab Other Assets	10,702	25,953
GE Stock	-	1,134
	\$ 1,369,791	\$ 1,328,264
Total		

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

All of the College's cash and investments are considered Level 1 and were valued using unadjusted quoted prices in active markets that were accessible at the measurement date for identical, unrestricted assets.

Total investment earnings for the year ended June 30, consisted of the following:

	2018	2017
Interest and Dividends	\$ 38,068	\$ 26,912
Net Realized and Unrealized Gain	75,695	129,963
Total Gain on Investments	\$ 113,763	\$ 156,875

The College considers all non-endowed investments available for operations. As of June 30, 2018 and 2017, the total available investments for operations were \$125,169 and \$179,280, respectively.

Note 9 Refundable Advances

Refundable Advances - U.S. Government represents Perkins/NDSL loan funds due back to the U.S. government. These balances are the Federal capital contributions received by the College to run the Perkins program. The liability at June 30, 2018 and 2017, is \$318,614 and \$361,773, respectively. Generally accepted accounting principles for Colleges recognize this amount as a liability. However, should the College ever elect to discontinue the Perkins program, Federal regulations require certain calculations that could result in a much larger amount to be returned to the U.S. Department of Education.

Note 14 Retirement Contributions

Goddard College is presently a member of the Teachers Insurance and Annuity Association (TIAA) offered by the College Retirement Equities Fund (CREF). Employees are eligible to participate in the plan upon completion of one year of service and attaining age twenty-one. Employees who elect to participate in this defined contribution plan have a minimum of 5% withheld from their pay. The College's contribution is equal to 5% of salary for each employee in the plan. Total payroll was \$5,956,098 and \$5,898,106 for 2018 and 2017, respectively. Total covered payroll was \$3,433,984 and \$1,534,154 for 2018 and 2017, respectively. Pension expense was \$171,699 and \$76,708 for 2018 and 2017, respectively. The College has elected to temporarily suspend the 5% College Retirement Annuity match for eighteen months, effective July 13, 2015, which took effect on the July 13, 2015 payroll. The match went back into effect on January 1, 2017.

Note 15 Fundraising Expenses

For the years ended June 30, 2018 and 2017, the College incurred expenses related to fund-raising amounting to \$438,757 and \$352,363, respectively. Such amounts are included in institutional support expenses in the accompanying statement of activities.

Note 16 Related Party

The following is a summary of related party transactions and balances as of and for the years ended June 30:

	<u>2018</u>	<u>2017</u>
Revenue from Gifts Given by Members of the Board of Trustees	<u>\$ 42,303</u>	<u>\$ 20,622</u>

Note 17 Endowment

Goddard College's endowment includes both donor-restricted endowment funds and funds designated by the Board of Trustees to function as endowments. As required by GAAP, net assets associated with endowment funds, including designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Goddard College has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring prudent investment on all endowment funds absent explicit donor stipulations. As a result of the interpretation, the College classifies as permanently restricted net assets (a) the original value of the gifts donated to permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulations are added to the fund. The remaining portion of the donor restricted endowment fund that is not classified as permanently restricted is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the organization in a manner consistent with the standards and procedure of the UPMIFA.

Note 17 Endowment – (Continued)

Goddard College has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of income to programs supported by its endowment while maintaining the purchasing power of the endowment assets. As such, the primary long-term investment objective of the Endowment is to attain an average annual real return of at least 6% measured over a rolling five-year period. To satisfy its long-term rate-of-return objectives, the College relies on a total return strategy in which investment return is achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The College's spending will average no more than 5% of the trailing twelve-quarter average market value of the Endowment.

Note 18 Vermont Community Foundation

Goddard College is the beneficiary of a fund established at and controlled by the Vermont Community Foundation. Annually, the College receives distributions from the fund based on a percentage of the underlying fund balance. The purpose of the funds is at the discretion of the College. The amounts received during the years ending June 30, 2018 and 2017, were \$30,078 and \$29,988, respectively, and are reflected as unrestricted gifts.

GODDARD COLLEGE CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018 AND 2017

Note 19 Significant Concentrations of Risk

The College receives a substantial amount of its revenue for educational services provided to students in Vermont. The College has incurred enrollment declines over recent years, which has contributed to its operating losses. Management is currently working on a plan to increase enrollment along with controlling expenditures. The College is a party to a collective bargaining agreement (union contract) for the faculty and the staff. Both contracts were ratified and received Board approval on June 9, 2015.

Federally funded financial aid programs are subject to special audit requirements. Such audits could result in claims against resources of the College. No provision has been made for any liabilities that may arise from such audits since the amounts, if any, cannot be determined at this date. Federally funded student assistance, grants and loans represent approximately 75.2% and 75.8% of the revenues received from students for the years ended June 30, 2018 and 2017, respectively. A reduction or related change in the federally funded student assistance programs could adversely affect the ability of the students to pay the tuition and other costs of attendance. This, in turn, could adversely affect the College's revenues.

Note 20 Contingencies

The College is involved in various claims and legal actions arising in the ordinary course of business. In the opinion of management, the ultimate disposition will not have a material adverse effect on the College's financial statements.

Note 21 Subsequent Events

On August 16, 2017, Goddard College signed a construction loan agreement with Community National Bank for \$2,100,000. This loan is for construction of the woodchip heating plant to be completed in 2018.

Note 22 Note on Operations

As shown in the accompanying financial statements, the College has suffered recurring operating losses of \$646,975 and \$116,581, for the years ended June 30, 2018 and 2017, respectively, and a negative operating cash flow of \$234,352 for the year ended June 30, 2018, and a positive operating cash flow of \$20,044 for the year ended June 30, 2017.

The steep decline in operating cash flow, as well as the loss in current year operations, can be attributed to steadily declining tuition revenue. Given this decline in the College's cash flow, there is substantial doubt about the College's ability to continue as a going concern. The ability of the College to continue as a going concern is dependent on the successful implementation of management's plans to reverse or slow the trends of declining enrollment, negative cash flow, and annual deficits.

GODDARD COLLEGE CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018 AND 2017

Note 22 Note on Operations – (Continued)

Management's Plans:

The College is currently exploring a number of avenues to improve its overall financial position. It now has in place directors of marketing and admissions, and its admissions department is fully staffed after a year challenged by vacancies. Targeted marketing and social media efforts over the last year are credited with stabilizing new student enrollment for the current academic year. The College expects its new marketing and enrollment team to drive improvements in both undergraduate and graduate enrollments for the next cycle. Additional capacity in fundraising drove a small increase in the last fiscal year, and that increase is expected to continue in the current fiscal year. Cost cutting is also underway; to date the College has avoided impact to student experience and academic quality. Strategic lay-offs in staff and faculty have begun to right-size the College to support current and expected enrollment for the coming year. Staff and Faculty Unions are working with the Administration to make these cuts and address restructuring so that the institution is positioned to reach a balanced budget in 2020.

The administration, Board of Trustees, and internal working groups are exploring more creative options to bridge the financial gap, including revenue streams not dependent on enrollment and fundraising, enrollment partnerships, restructuring academic programs; and developing non-credit programs.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER
MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Trustees of
Goddard College Corporation
Plainfield, Vermont

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Goddard College Corporation (a nonprofit organization), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 6, 2019.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Goddard College Corporation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Goddard College Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of Goddard College Corporation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Goddard College Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted other matters that we have reported to the management of Goddard College Corporation in a separate letter dated February 6, 2019.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR
EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY UNIFORM GUIDANCE

To the Board of Trustees of
Goddard College Corporation
Plainfield, Vermont

Report on Compliance for Each Major Program

We have audited Goddard College Corporation's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Goddard College Corporation's major federal programs for the year ended June 30, 2018. Goddard College Corporation's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Goddard College Corporation's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Goddard College Corporation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Goddard College Corporation's compliance.

Opinion on Each Major Federal Program

In our opinion, Goddard College Corporation complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2018.

Other Matters

Educational Loan Servicing, LLC's compliance with requirements governing the functions that it performs for Goddard College Corporation was examined by auditors for the servicer whose report has been furnished to us. The report of the auditors for the servicer indicates that compliance with those requirements was examined in accordance with the U.S. Department of Education's Audit Guide, *Compliance Audits (Attestation Engagements) of Federal Student Financial Assistance Programs*. Based on our review of the service organization auditor's report, we have determined that all of the compliance requirements included in the Compliance Supplement that are applicable to the major programs in which Goddard College Corporation participates are addressed in either our report or the report of the service organization auditor. Further, based on our review of the service organization auditor's report, we have determined that it does not contain any findings of noncompliance that would have a direct and material effect on Goddard College Corporation's major program.

Report on Internal Control over Compliance

Management of Goddard College Corporation is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Goddard College Corporation's internal control over compliance with types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Goddard College Corporation's internal control over compliance.

A deficiency in internal control over compliance exists when a design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

The internal control structure policies and procedures relating to maintaining contact with the borrowers, billing borrowers, and processing deferment and cancellation requests and payments for the Federal Perkins Loan Program are performed at Educational Loan Servicing, LLC. For these internal control structure categories, the service organization auditor obtained an understanding of the design of relevant policies and procedures, determined whether they had been placed in operation, and assessed control risk.

Internal control over compliance relating to such functions was examined in accordance with the *U.S. Department of Education's Audit Guide, Compliance Audits, Audits/Attestation Engagements of Federal Student Financial Assistance Programs*. The service organization auditor's report has been furnished to us. However, the scope of our work did not extend to these internal control structure policies and procedures maintained at Educational Loan Financing, LLC.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
